biography

Luis Gutierrez, aka Dj Cruze, has been a fan of music since a toddler. Growing up in a diverse community in Jersey at the age of 12, he made it his mission to become the hottest Latin Dj. Streamlining from a family of musicians, becoming a DJ was destiny.. Understanding music theories and knowing the composition of music has made Cruze a contender in the DJ industry. His passion has led him to open for Latin celebrities such as De La Ghetto, Arcangel, Zion y Lennox just to name a few. When you hear the Dj drop "I'm in the Office" you know he means business.
